

TAPIS VERS

*Organic pepper and mustard
fertilizer*

LAWNS

- **Fertilizers based on trace elements
Fertilisation / Phytostimulation**
- **Ecological repellent against annelids, nematodes, larvae,
courtilières, taupins, tipules...**
- **100% degradable biomolecule emitting a gas in the soil**

Use

- Shake well before use
- 25L/ha in mid-season
- 2 times 10L/ha at 2 weeks apart in summer
- Water abundantly (minimum 6 hours)

Composition

Natural mustard extracts: 5%
Natural orange extracts: 2%
Nitrate (NO₃): 2.75%
Soluble magnesium (Mg): 2.25%
of which oxidized (MgO): 15%
Natural chilli extracts: 0.5%

Packaging

- 1L bottles
 - 5L Cans
 - 20L Cans
- Storage: 1 year in a cool and dry place away from light

Complies with the standards Organic fertilisers -NFU 42-003-2 Complies with EC Regulation N° 384/2007

TAPIS VERS

Organic pepper and mustard fertilizer

Tapis Vers is a nutrient-rich fertilizer. With its extracts of chilli and mustard, it drives away animals from the ground (moles, tipules, insects, nematodes) by creating a gas in contact with water. Its formula based on natural extracts is 100% biodegradable and environmentally friendly.

Promotes plant root growth

Reduces the appetite of nematodes and root-eating insects

Nematodes (microscopic worms)

Taupins

Tipules

Courtilières

Vers blancs

Meloidogyne

Wales on the roots

& Leaf deformities
& Destruction of roots

➤ Standard program :

Disinfection **Tapis Vers**
20L/ha in mid-season if
recurring problems of
insects/ worms from the
soil in the year

2 times 10L/ha at two weeks
interval if galls are observed in
summer
